To whom it may concern:

I recently had the pleasure of working with Corporate Electric Inc. on the Best Buy Store in Commack, NY. This project had an accelerated schedule therefore it was critical I chose an electrical contractor who could deliver on a deadline. Corporate Electric Inc. far exceeded my expectations of an excellent sub contractor. Corporate Electric provided my company with knowledgeable supervision, professional tradesman and delivered their end of the project on time. Corporate Electric Inc.'s performance on my project was superior and I would welcome the chance to work with them in the future.

Sincerely,

Dave Jodziewicz
